

A Day with Hanako

Japan in a Suitcase for Middle School, Grades 6-8

Presentation Content Outline

The basic presentation is outlined below, and a detailed outline follows on the next pages.

Presenters who have done this for many years will have some hints and procedures that work well for them. For that reason, this outline should be used as only a guide. Presenters should feel free to add other details and procedures to each topic as they see appropriate. Have fun!
